Central Business District,  
P.M.B. 14 Garki, Abuja  
Nigeria.

## IMPLEMENTATION OF PRESIDENTIAL EXECUTIVE ORDER TO INCREASE LOCAL PRODUCTION OF HEALTHCARE PRODUCTS, REDUCE COST OF HEALTHCARE EQUIPMENT AND CONSUMABLES, AND PROMOTE LOCAL INVESTMENTS

Following the Presidential Order to increase local production of healthcare products, reduce cost of healthcare equipment and consumables and promote local investments in Nigeria, the implementation guidelines to facilitate the importation of Active Pharmaceutical Ingredients (API), Excipients and other Pharmaceutical and life science raw materials for essential medicines, raw materials for manufacturing Long-Lasting Insecticidal Nets (LLINs), Rapid Diagnostic Kits and reagents and Packaging materials is presented as follows:

- i. The attached critical raw material for manufacturing pharmaceutical products (Annex I) is exempt from payment of import duty and Value Added Tax (VAT) for a period of two (2) years with effect from 5<sup>th</sup> March, 2025.
  - ii. The implementation of the Order is limited to only manufacturers of pharmaceutical products recognized by the Federal Ministry of Health and Social Welfare with their Tax Identification Number (TIN) to utilize the fiscal incentives (Annex II). The list of manufacturers is however inexhaustive and can be updated from time to time.
2. In addition, the Nigeria Customs Service (NCS) should on a quarterly basis provide to the Federal Ministry of Finance and Federal Ministry of Health and Social Welfare details of all importation; indicating the importer, quantity and value of items. This is for the purpose of monitoring and evaluation of the fiscal policy measure.
3. Kindly ensure strict compliance.

**Wale Edun, OFR**

Honourable Minister of Finance and Coordinating Minister for the Economy
